

## Manage Payments for Lease Agreements

A lease agreement may receive multiple payments or one lump sum. Enter all the payments you have received for a lease agreement in dash by following these steps.

Fields marked with an asterisk (\*) are mandatory.

First, locate the agreement in dash.

- 1. Select **Transaction** from the drop down list.
- 2. In the Quick Search box on your dash homepage, type the transaction ID, MLS ID, or property address of the listing.
- 3. Click the record from the search results.

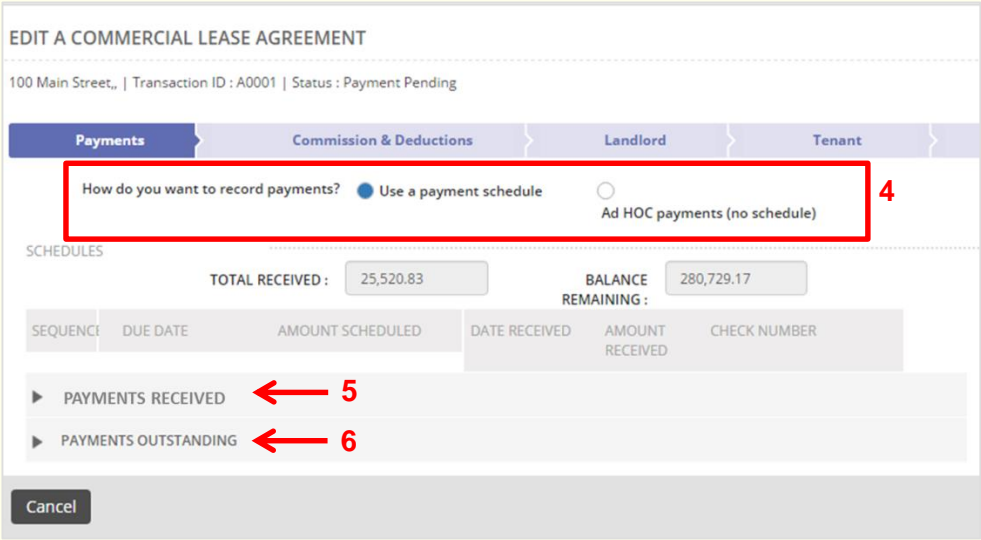

The Payments tab of the agreement opens.

- 4. Select if you want to record payments using an auto generated payment schedule, or if you'd like to record ad hoc payments.

In this example, we will select **Use a payment schedule**.

- 5. You can see previous payments that you have recorded for the agreement by clicking **Payments Received**.
- 6. Click **Payments Outstanding** to record a new payment.

7. Enter the information for the payment received, i.e. date received, amount received and check number.
